

## DRINKS to take away

Take-out from our Pub is available and welcome - we love the idea of you getting to enjoy our food in the comfort of your own home! Our full Pub and Sushi menus (*with the exception of fresh shucked oysters*) are available 11:30am - 9:30pm daily.

We are also offering take out for wine, beer and cider.

For take out orders please call 250.544.5102

When you arrive at the resort to pick up your take out items, please pull into the front parking lot of the resort (*You'll see the signage*). Give us a call back at 250.544.5102, let our team know that you are here, and what car you are driving. We will run your order out to your car and take payment from you there.

If you are walking, and we have a line up, please use the same pick-up location rather than coming inside.
