

THE MARINA AT BRENTWOOD BAY RESORT

Group Booking Information

Thank you for your interest in hosting your Yacht Club or Rendezvous at The Marina at Brentwood Bay Resort. Our marina team aims to provide truly exceptional service from arrival through departure, including a full concierge program, provisioning program, and small boat support & shuttle program. Resort amenities include a year-round heated pool and hot tub, spa and outdoor saunas, and two on-site restaurants.

Group bookings require a minimum of 5 vessels, and we can accommodate up to 17–18 vessels, depending on size and time of year. In the high season, we offer approximately 250 linear feet of visitor moorage on our main dock, 6 berths for larger vessels (40' - 65') on E, F, and G docks, and a limited number of slips for vessels 30' and under. Please refer to the attached marina map for layout details. We also offer complimentary dinghy moorage for larger groups, where some of the group may be anchored in nearby Tod Inlet.

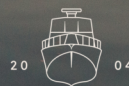

Our group package requires a minimum of one catered dinner and/or patio BBQ prepared by our incredible culinary team, setting the stage for a relaxed and carefree gathering. Budget for this special meal can be decided on a per-person basis, depending on your group's unique preferences.

Visitor moorage continues to book earlier each season with increased yacht club demand. To secure your space, a 50% non-refundable moorage deposit is required at time of booking. Members may book (using your club or rendezvous name) individually by phone or email, or you may complete our yacht club spreadsheet and we will create reservations and contact guests on your behalf. Please inform your members that bookings for vessels that are travelling as part of a group should not be made through our online booking system.

If pre-booked guests cannot attend your group event due to unforeseen circumstances, as long as they have booked with your group, the deposit may be applied to another stay within the same calendar year.

Once vessel sizes are provided, we will confirm how many boats we can accommodate. Please keep us updated on roster changes, and we will do our best to accommodate additional requests. We look forward to welcoming your club to The Marina and to our little slice of paradise.
